

# Be safe. Carry Naloxone.

**Naloxone saves lives. It is used to treat someone who is experiencing an overdose of opioids.**

**Join us for Opioid Overdose and Naloxone Training to get a kit and learn more about:**

How to use a naloxone kit and what to do in the event of an overdose

How the Canada-wide opioid crisis has affected Ottawa and what you can do to protect you and your loved ones

What opioids are and where you can find them

Signs and symptoms of an opioid overdose

**Coffee and tea provided by the Kanata-Hazeldean Lions Club**

**DATE:** Wednesday, November 27, 2019

**TIME:** 6:30 - 8:00 pm

**LOCATION:** Lion Dick Brûlé Community Centre -  
170 Castlefrank Road, Kanata, ON, K2L 2K6
